About: Guests & Facilitator:

Eben Alexander, M.D. was an academic neurosurgeon for more than 25 years including 15 years at the Brigham and Women's Hospital, Children's Hospital and Harvard Medical School in Boston the passion and interest in physics in cosmetology. His New Death Experience is captured in his New York Times bestseller "Proof of Heaven" and "Map of Heaven." His most recent book is "Living in a Mindful Universe." Visit him online at ebenalexander.com

Diane Hennacy Powell, M.D. is a former member of Harvard Medical School faculty and of a part-time think tank on consciousness at the Salk institute in La Jolla California. She has published articles in neuroscience and neuropsychiatry journals and is the author of the book "The ESP Enigma: the Scientific Case for Scientific Phenomenon" among other others. Visit her at dianehennacypowell.com.

Bruce Greyson, M.D. is the author of [*After: A Doctor Explores What Near-Death Experiences Reveal About Life and Beyond*](#). The book challenges our everyday ideas about our minds and our brains and offers key insights on how we can begin to live a more meaningful and fulfilling life. He is currently a Professor of Psychiatric Medicine with the University of Virginia's Division of Perceptual Studies program (DOPS). He has earned awards for his medical research and was elected a Distinguished Life Fellow of the American Psychiatric Association, the highest honor bestowed by that organization. Visit him at BruceGreyson.com

Jim B. Tucker, M.D. is Director of the [UVA Division of Perceptual Studies](#), where he is continuing the work of Dr. Ian Stevenson with children who report memories of previous lives. A board-certified child psychiatrist, Dr. Tucker worked with Dr. Stevenson for several years before taking over the research upon Dr. Stevenson's retirement in 2002. He is the author of the N.Y. Times bestseller "Life Before Life" and his last publication is "Before." Visit him at JimBTucker.com

Facilitator: Christopher Naughton is a former trial lawyer, producer/host of the Emmy®-award winning American Public Television (APT) program The American Law Journal, host of the NPR affiliate New World Radio show and the author of the upcoming book "America's Next Great Awakening: A New American Revolution in Consciousness."
